Term 4 Week 10

## Principal's Message

What another amazing year it has been. It absolutely never ceases to amaze me just how fortunate we are to have such a vibrant school community.

It has been such an incredibly busy term, we have all hardly stopped to realise that another school year has finished. I would like to thank all the parents, community, staff and students for their never ending support and enthusiasm to ensure that Gunning Public School continues to offer all students a wide range of opportunities.

Our primary students are having a fantastic time in Sydney and I am sure that they will come back with a range of different experiences and stories to share.

End of year reports were handed out this week. Reports that were not collected will be mailed out to families at the end of the week.

In 2019 students return on the 30 January, however, staff will be at school on the 29 January. If you are needing to purchase school uniforms it would be a great idea to come in on the 29 January.

Part of our school will again be open to the public during the school holidays. Community and visitors are welcome to come and use our oval, basketball court and cricket nets. The remainder of our school, including our classroom area will still be out of bounds for all guests. A security guard will be periodically patrolling the area as well as unlocking the gates in the morning and securing the school in the afternoon. If you see anything out of the ordinary please call the school security hotline on 1300 880 021.

***Danny Scott***
