Term 4 Week 5

## Principal's Message

Today we had the joy of meeting our very cute 2022 Kindergarten students. We had lots of smiling faces and no tears, from our students anyway. A big welcome to all our new families and we can not wait to see our 2022 Kindergarten students again at our next orientation day on Thursday the 18th of November.

Last Friday, the 30th of October, we celebrated Gunning goes pink day for breast cancer, we raised \$333.50 for the cause, a massive effort and a big thank you to all families for contributing.

This Friday we will hold a zoom assembly to share some learning and present some students with merit awards, we will be sending out a zoom link for parents to attend the assembly online if they would like. Please keep an eye on Class Dojo for this link.

There is a Year 6 Yass High School transition afternoon on Thursday the 18th of November.

Canteen is open this Friday please remember to order online to avoid money contact. If you have any issues with online ordering please don't hesitate to contact us.

We love to give awards and Dojo points for home reading, home readers can be returned weekly for dojo points.

Our next P&C meeting is on Thursday the 11th of November, this will be held via zoom. We will be discussing Naplan data if you would like to attend.

At the moment we do not have any changes to restrictions, however, as soon as we are notified of any updates we will let you know on Class Dojo.

Enjoy your week and stay safe,

**Kristy Grant**

### K/1 Narrative Writing

This term, students in K/1 are focusing on the text type narrative during writing. As a part of their independent literacy activities, students have begun writing narratives in response to an image. We hope you enjoy some of the narratives from K/1.

One day, there was a mum turtle who layed its eggs under the sand.

- Ben

Once upon a time a little baby turtle was looking for her mummy turtle and then it found its mum turtle. Then mummy and baby turtle went for a walk. They walked to the beach. Baby turtle was very excited because she was allowed to go into the water with her mummy turtle.

- Paige

On one dark night there was some little eggs and mummy turtle. In the morning, an egg started to crack. Pop. Out came a little turtle. It was looking for its mum. It walked and walked and it found another turtle. It was her sister. They were both ravenous. They walked and looked for a bit more and there was their mummy turtle. Mummy was lurking behind a tree. The turtle said "before we go home, can we go to the beach?" (To be continued).

-Hannah

CRASH! BANG! BOOM! Went thunder and lightning. Some men were on a boat. They were being very silly. Why would you want to go out on a boat in a storm? CRACK! Went the start of a fire. A tree got struck and started a fire. They couldn't go on land because of the fire. So they had to stay in the water. That's why you can't be silly sometimes. So the firemen came and they got home safely. -Poppy

One day a little ugly penguin woke up. It was very very mad and very hungry so it went to look for food and water. He found a lake and he sucked up some water and then he went to look for food. He found some fish to eat and he gobbled up some fish and he was happy. -Tyler

Today we had our first Kindergarten transition day. The students had a wonderful time painting their faces smiling faces onto library bags! The next Kindergarten transition days will be on Thursday the 18th of November, and the third transition day will be on Tuesday the 30th of November.

Pink Day!
