Term 1 Week 4

Principal's Message

A big congratulations to all our swimmers last Thursday at the Burrinjuck Carnival. They did a fantastic job and the day was a big success despite COVID restrictions. Thank you Mr Tyson and Maree for all your hard work in the organising of the day.

Our district swimmers are heading back to the pool this Thursday, Mrs Edmonds will be accompanying students on the day.

A massive thank you to all our families who attended our Meet and Greet on Monday afternoon. Please contact teachers if you need any further information.

Our school photos are coming up on Monday the 22nd of March. Envelopes will be coming home soon.

Hockey fans are in luck! We have PSSA Hockey trials on the 8th of March and a Hockey Gala day on the 10th of March. This is for students in years 3-6. Notes have gone home already, please return as soon as possible.

Thank you for those families keeping their children home when

sick, we continue to have to follow COVID guidelines this year and we thank you for keeping our community safe by keeping students who are unwell home and getting them COVID tested.

Now that we are settled into school routines, we ask that parents please drop off and pick up students outside the school gates. Please know drop offs may be an anxious time for our little people, this is perfectly normal, getting into good routines at drop off and pick up times will ease this anxiety. Please know that this is the Department of Education COVID Guidelines.

If you do need to come into the school grounds to speak with the office, make an appointment or pick up a student during school hours, please ensure you sign in and go straight to the front office, not to the classrooms.

Again we thank you for your understanding and for your help in keeping our community safe.

Kristy Grant

DO NOT SEND SICK CHILDREN TO SCHOOL

Get sick children COVID tested
(for **ANY** flu-like symptoms)

Otherwise they cannot return to school within 10 days
(and at least three days symptom free)

If symptoms persist after 10 days, a Doctors
certificate must be provided for their condition.

[More information is provided on Class Dojo.](#)
